DAVIDIC-LEVITICAL INSTITUTE  
Ministerial Bible Course  
ATTAINMENT EXAMINATION

To the Prospective Ministerial Student:

In order properly to classify you if you are to enroll in the March 9 Bible course offered by this Institute, it is necessary that in this examination you answer as many of the questions as you possibly can. If you cannot answer some of them, then simply state that fact after each such question.

If, in taking this examination, you should solicit help from someone else, your examination would then be inaccurate and may result in your being placed in a class unsuited to your needs. The only help you may use is the Bible.

It is essential that you complete and return the examination papers to this Institute as soon as possible. Soon thereafter you will be notified in which of these three classes you belong: Freshman, Intermediate, or Senior.
